

Legislative District 29 Republican Committee Endorses Kevin Sartor for Mayor of Surprise

June 21, 2024

Surprise, AZ - – The Legislative District 29 Republican Committee is proud to announce its historic endorsement of Kevin Sartor for Mayor of Surprise. This is the first time in history that the committee has officially endorsed a candidate in the Surprise mayoral race, highlighting the significance of this election and the clear choice for principled leadership.

Newly Elected Committee Chairperson Lisa Everett stated, "We are thrilled to endorse Kevin Sartor for Mayor of Surprise. Kevin's extensive military service, dedication to public safety, and commitment to fiscal responsibility make him the ideal candidate to lead our city. His values align with the principles we stand for, and we are confident in his ability to bring disciplined, strategic leadership to Surprise."

The unprecedented nature of this endorsement is underscored by concerns about the other candidate in the race, Aly Cline. Cline has a history of donating to radical Democrats, including Bernie Sanders, Jon Ossoff, Raphael Warnock, and more; which raises questions about her alignment with the values of our community. Additionally, Aly Cline recently voted to raise the sales tax, a decision that burdens our families and businesses.

"Kevin Sartor stands for the conservative values that our community cherishes," continued Everett. "In contrast, Aly Cline's actions and affiliations with radical Democrats, coupled with her vote to increase sales tax, make it clear that she does not represent the best interests of our residents. We need a leader who prioritizes fiscal responsibility and the well-being of our community."

The Legislative District 29 Republican Committee urges all voters to support Kevin Sartor in the upcoming election and ensure that Surprise continues to thrive under strong, principled leadership.
